

Job Description: **Quality Assurance Executive**

North Acton, London- based -Salary: £24,000 - £28,000 : 31st December 2018 Apply: Bova UK HR (Reena Anand) - reena@bova.co.uk

About us

Bova UK is a Specials manufacturer of veterinary medicines that is regulated by the Veterinary Medicines Directorate (VMD). Bova UK holds ManSA license (Manufacturer 'Specials' Authorisation- (Veterinary) to manufacture sterile and non-sterile products.

The stringent regulations set out by the Veterinary Medicines Directorate (VMD) is testimony to the quality of medications produced at Bova UK. The well-established quality culture ensures that the business remains compliant with current Good Manufacturing Practices (cGMP) and Good Laboratory Practices (GLP)

Autonomy to develop in the specified role is a key differentiator of working within a rapidly expanding company where your contribution is shaping the future of the business and globally.

Self-determination and continuing education is vital for the development of the business and its individuals to ensure an effective working culture. We are looking for candidates who will champion their role and bring new ideas and concepts to drive innovation.

Bova UK manufactures various dosage forms such as solid, semi-solid, liquid, sterile injectable and ophthalmic preparations using a range of equipment and machinery. Analytical labs & microbial labs play a critical role in our operations. All the raw materials and finished products are tested against set standards as per ICH guidelines. Analytical labs also perform stability studies on new & existing products to monitor and improve the product quality and patient safety.

Join a fast growing veterinary manufacturing company who has their presence on a global platform and can give you an opportunity to learn and explore regulatory aspects of not only the UK and Europe but globally.
